

DEPARTMENT OF LIFELONG LEARNING AND EXTENSION

UNIVERSITY OF MUMBAI

The Department of Lifelong Learning and Extension [DLLE] (known earlier as Department of Adult and Continuing Education and Extension) established on October 12, in the Year 1978 and has been recognized as a statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the Universities and the community.

Dept. of Lifelong Learning and Extension offers an extension programme under which various

projects have been arranged for students. Aim of these projects is to sensitize the students to the socio-cultural realities to improve their personality. Project Work is seen to be used as a teaching method right from the school level up to the post graduate level.

Constant experimentation has enabled the DLLE to fine-tune the use of Project Work as an academic tool for the evaluation of Extension Work. In fact what the textbook cannot teach about real life, project work does very easily. The projects are career oriented as well as community oriented. The student is awarded ten additional marks at the final examination as well as a certificate for a project on completion of 240 hours of work and the submission of project report. The department of Community Resource Management has been in collaboration with DLLE since last 7 years. The students have been regularly participating in the intercollegiate festival “UDAAN” organised by DLLE where students participate in Street Play and Poster competitions and thus showcase their talents

“THE FLIGHT OF EXTENSION” – A RESEARCH CONVENTION organized by DLLE. Students have been participating in Research convention since last 2 years and have received gold medal in the competition. Students were felicitated by the director of DLLE Dr. Patil

1st Prize at UDAAN – The Flight of Extension
Title of Research paper presented: Musculoskeletal
Disorders among Fruit & Vegetable Vendors
