

One Year Diploma Course in Orientation to Indian Sign Language
(Affiliated to the University of Mumbai)

The Value – Added Course, Orientation Course in Sign Language was started in this college since 2013, and this year we conducted it as a One Year Diploma Course in Orientation to Indian Sign Language (with affiliation to the University of Mumbai)

Every year the batch is supposed to consist of a small number of students as it is a highly interactive course, but more than that are always interested in joining. This year there were therefore 28 students enrolled. There were SYBSc, TYBSc (HD) students and 2 outsiders registered this year. The teacher was Mr. Jayesh Sureja. The sessions every year are especially enjoyable as the teaching is done in practical ways, including games and storytelling too. The classes progressed from 20th August 2022 to 2nd May 2023, completing the required hours, culminating with an examination at the end. The toppers of the course were Miss Palak Sanghavi (1st), Miss Palak Tiwari (2nd) and Miss Mahima Singh (3rd). Diplomas will be presented to all successful candidates at the Convocation of Value-Added Courses.
