Nirmala Niketan College of Home Science,

Subject: Board of Studies of Dr. Bhanuben Mahendra Nanavati College of Home Science (Textile Science & Apparel Design)

Dear Dr. Ritu Madhan,

Greetings from Dr. BMN College of Home Science

The University Grants Commission (UGC) and the SNTD Women's University granted our institution progressive academic autonomy in academic year 2019-2020. The past three years have presented several opportunities as well as challenges to bring about changes in our curriculum, and also for our institution to introduce innovative teaching learning and evaluation processes,

As per the Uniform Statute No: 3 of 2019 of the Maharashtra State University Act (2016), autonomous colleges should form their own Board of Studies for a tenure of three years. We will be honored if you will accept our nomination to appoint you as a member of the Board of Studies of Textile Science & Apparel Design, under the category of subject experts from outside the Parent University, for the academic years 2022-2025.

The Board of Studies will meet at least twice a year. The powers and functions of the Board of Studies are as follows:

- To prepare syllabi for various courses keeping in view the objectives of the college, interest of the stakeholders and national requirement for consideration and approval of the Academic Council.
- To suggest methodologies for innovative teaching and evaluation techniques;
- To suggest panel of names to the Academic Council for appointment of examiners
- To co-ordinate research, teaching, extension and other academic activities in the department or college.

We look forward to your acceptance in writing.
Thanking you,

Yours faithfully,

Prof. Mala Pandurang

1.1.1 ENTREPRENEURIAL SKILLS ACTIVITIES (ILLUSTRATED)

Own entrepreneurial venture as our final end semester assignment of Food Production and Service Practical. We were under the guidance of Miss.Ruchi Jakhmola and Sir Mr.Shubhankar. The whole class was divided into 2 groups, N1-25 girls under Ms.Ruchi and N2-25 girls under Mr.Shubhankar. I was part of the N1 group. Ms.Ruchi had told us to come up with our own ideas and pitch our ideas to ma'am. Initially my first idea was to make a product out of dates. I wanted to make date spread. As we all know the breakfast sector is completely filled with sugar based spreads and jams who claim to have real peanuts in their peanut butter spreads or real fruits in their jams, actually contain only sugar, oil and artificial flavourings. I wanted to make a spread which completely healthy, sugar free and tastes good too. This idea was not taken forward

SESSION 2: LENO SPORTS ACADEMY, THANE

LEARNING OF SALE 2

Our second selling was at Leno Sports Academy located in Thane, we could reach out to our main target audience like sports-person, fitness freaks and football players. We kept twenty servings of oatmilkshake i.e; ten of Chocorush and ten of Veryberry. We were completely sold out in 15 mins and we had many young customers in the age group of 5 to 12 and they enjoyed Chocolate flavor more so we learnt that according to the age group also we can select the servings for that particular sale.

FEEDBACK OF SALE 2

Both the flavors were sold very quickly in 15 mins of setting up the stall. The children enjoyed the oatmilkshake they liked it more than drinking normal milk. Parents of these children were also happy to know that it gives a good amount of calcium in only 200ml. Some said that the children were not able to finish the full glass as their stomach was full after taking a few sips.

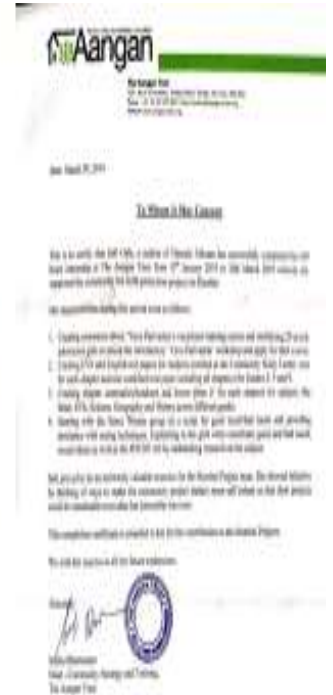

GOAL FOR NEXT SALE

We had a very high demand for the oatmilkshake and specially the Chocorush flavor so we decided to increase the total portions for serving the oatmilkshake. The packaging was also liked by all of them.
