 - T.Y.B.Sc - 30
 - M.Sc I - 6
 - M.Sc II – 9
 - Outsiders- 2
- Event Flow
 - Introduction to the program – Dr. Ritu Madhan
 - Welcome address- Dr. Pratima Goyal
 - Introduction of the Speaker- Dr. Vishaka Karnad
 - Workshop – Ms. Survanareha M. Jadhav
 - Vote of Thanks – Ms. Khedekar
- Organizing Team: Dr. Pratima Goyal, Dr. Ritu Madhan and Ms. Vibhuti Khedekar

The Department of Textile and Fashion Technology in collaboration with IQAC and The Society of Dyers and Colorists (SDC-EC) organized a workshop on Novel Methods of Value Addition on Textiles as a part of Vastrakala for the students on 21st September 2022, 9.30 am onwards. The workshop was attended by the students of T.Y.B.Sc, M.Sc I and M.Sc II of the department. Eight staff from the department actively participated in the workshop. The workshop was organized by Dr. Ritu Madhan and Ms. Vibhuti Khedekar with the guidance of Dr. Pratima Goyal, Head, of the Department of Textile & Fashion Technology.

The resource person for the workshop was Ms. Suvarnareha Jadhav who is an artist, Educator, Textiles, Coloring, and Visual Arts

Dr. Ritu Madhan began the program by welcoming all the participants to the workshop. As a part of our value system, a very innovative method for thanking the almighty was done by watering a plant by Dr. Pratima Goyal, Hod, Dr. Vishaka Karnad, Honorary Secretary, SDC-EC, India, and our expert Ms. Suvarnareha Jadhav

Dr. Pratima Goyal gave the welcome address and explained the importance of such innovative workshops for the students.

Dr. Vishaka Karnad, Honorary Secretary, SDC-EC, India introduced the resource person and expressed deep appreciation towards SDC for the support for this workshop.

Ms. Suvarnareha Jadhav started the session with discussions and interaction with the students. She explained the key concepts of Natural Dyeing, Natural dyes, and various innovative and novel printing methods through a PowerPoint presentation

A demonstration on various resist printing techniques using Mehendi, Fevicol was shown to the students.

The concept of mordanting was also explained by the resource person and the students were provided with alum mordanted samples to show them the effect of dyeing and printing on mordanted samples.

Later Ms. Jadhav demonstrated the method of eco-printing which was very informative. She with the help of natural flowers and leaves (which were easily available from nature) demonstrated the method.

She also shared some of the product ideas that the students can make to enhance their skills.

All the students actively participated in the workshop and thoroughly enjoyed doing each and every novel method of printing.

Dr. Pratima Goyal, Dr. Vishaka Karnad and, Mr Jayram felicitated Ms. Suvarnareha Jadhav with a certificate of appreciation from SDC and a token of love from the department.

Ms. Vibhuti Khedekar proposed the vote of thanks.
