Extracurricular

1. National Services Scheme (NSS)

The F.Y.B.Sc. and S.Y.B.Sc. students are given opportunity to enrol in the NSS Unit of the college. The NSS Unit of the college allows 100 students to enrol. It is a voluntary participation. With the implementation of NEP 2020 from the academic year 2024-2025 the college is now offering NSS as 2 credit course to F.Y.B.Sc. students. The NSS volunteers participate in various community services at different levels. The NSS Programme Officer appointed in the college is responsible for organizing the NSS Unit and implementing the NSS Program. A Special camp at rural area is compulsory for the NSS unit to organize every year. Students get benefit of 10 marks at the end semester after completing 120 hours in NSS.

2. DLLE (Department of Life Long Learning and Extension)

Students of the Textile and Fashion Technology and Community Resource management specialization enrolled with the University of Mumbai with the Department of Lifelong Learning And Extension (Ddle). As part Department of Lifelong Learning and Extension (DDLE) under the guidance of the teacher coordinator the students engaged in community work. They get benefit of 10 marks at the end semester after scrutiny of their reports.

3. Regular extension activities of College

The extension programmes are conducted in various settings like urban, semi-urban, rural and tribal by individual specialization. Students are encouraged to identify the needs of a community and reach out to vulnerable groups of population in tribal/rural and urban slum areas, through awareness programmes and skill development activities.

4. Extension activities at Tribal Community College

All the specialization conduct extension education programmes once in a year through Daughters of the Heart of Mary (DHM) centres in collaboration with DHM management in rural/tribal/urban areas at institutes located at places like Chuim in Mumbai, Karasgaon and Kolad in Maharashtra, and Bharuch in Gujarat. These programmes designed as per the need of the centres.

Internal Continuous Evaluation System and place:

The continuous evaluation process in the college is an ongoing assessment system designed to evaluate students' performance throughout the academic year. The following method/s are used for evaluation:

1. **Periodic Tests and Quizzes:** Regular assessments, both written and oral is as per the schedule.
2. **Assignments and Projects:** Students are given assignments or project work on various topics.
3. **Class Participation:** Student engagement and contribution are regularly assessed through active participation in class discussions and group activities.
4. **Presentations and Practical Sessions:** Presentations or practical work is continuously assessed in each class.
5. **Online and Self-Assessments:** Online platforms like google classrooms, google form, Kahoot, etc. are used to conduct self-assessments or quizzes.
6. **Cumulative Grading:** The final grade is calculated on the cumulative score from all these assessments.

M.Sc. (HOME SCIENCE) SEM I TO SEM IV (AS PER NEP 2020)

Branch IA : M.Sc. (Home Science – Foods, Nutrition & Dietetics)

Semester I and II (As per NEP 2020)

Programme Outcome

Programme Outcome (PO)	Definition	Graduate Attribute
	To be able to...	
PO1	Demonstrate an in-depth knowledge and understanding of core fundamentals of concepts of Biochemistry, Nutrition, Food Science and Processing, Clinical Dietetics and Public Health Nutrition with the integration of all allied subjects required to professionally practice in the area of Foods, Nutrition and Dietetics competently.	Disciplinary Knowledge
PO2	Effectively develop nutritious and sustainability based food products, communicate therapeutic diets, counsel patients effectively and to explain complex nutritional concepts in simple and understandable terms both orally and in writing to fellow professionals as well as the community	Communication Skills
PO3	Design efficient methods of food analysis and food products, nutritional diagnosis and evaluate the modes of nutritional therapies as well as programmes to better community health.	Critical Thinking
PO4	Creatively construct Dietary, Nutritional and Lifestyle strategies to preserve health, manage diseases, address nutrition related health issues in the community, to support the industry as a knowledge partner in formulation of healthy food products and to engage in entrepreneurial initiatives to solve individual and community health problems	Problem Solving Innovation Entrepreneurship
PO5	Competently evaluate traditional as well as recent Nutrition practices in relation to evidence based nutrition and draw applicable conclusions, using a scientific and an open mind with the vision of bettering food and nutrition practice	Analytical and Scientific Reasoning
PO6	Proficiently explore the cause and effect relationships of food, nutrition and lifestyles on health and to construct and follow through a research problem using research techniques and statistical analysis, thus drawing up adequate conclusions for applications of research in the food industry, community and clinical set ups as employee or entrepreneur	Research related skills
PO7	Successfully work in teams, cooperate and derive meaningful beneficial conclusions for food consumers' requirements as well as patients' and community health	Cooperation/ Team work

	through interdisciplinary and collaborative efforts in clinical, community, research, industry and organizations.	
PO8	Translate research, recent innovations and personal and professional experiences into applications to benefit food industry, clinical management of disease, community health; and entrepreneurial ventures with self-awareness and introspection	Reflective Thinking
PO9	Use technology for foods, nutrition and dietetic communications, consumer information, hospital administration, diet planning, nutrition education as well as be aware of using digitation for entrepreneurial ventures.	Information/ digital literacy
PO10	Work independently, identify appropriate resources for a project and manage a project to completion.	Self-Directed Learning
PO11	Be adept with regard to national and global multi-cultural aspects of foods and nutrition, thus being able to deliver food products and nutrition and lifestyle strategies for health in harmony with the existing cultural practices of the individual and the community.	Multicultural competence
PO12	Practice principles of food preservation, processing, dietetics and community health in the most sustainable and effective manner, placing consumer, patient, community and fraternity well-being at the center of operations and to refrain from unethical behavior at workplace, the community and research. Semester I and II (As Per NEP 2020)
Programme outcome

Programme Outcome (PO)	Definition	Graduate Attribute
	To be able to...	
PO1	Demonstrate an in-depth knowledge and understanding of core fundamentals of concepts of food preservation, food processing and its production. This will enable them to professionally practice in the industry of food preservation and processing competently.	Disciplinary Knowledge
PO2	Effectively develop holistic nutritious and sustainable food products, and to explain complex nutritional concepts in simple and understandable terms by both orally and in written communication to fellow professionals as well as the community.	Communication Skills
PO3	Design innovative food products for health, using sustainable methods, efficient processing methods along with its analysis to better community health will be addressed.	Critical Thinking
PO4	Creatively construct dietary, nutritional and lifestyle based products which help to preserve health, manage diseases, address nutrition related health issues in the community; to support the industry as a knowledge partner in formulation of healthy food products; and to engage in entrepreneurial initiatives to solve individual and community health problems.	Problem Solving Innovation Entrepreneurial Skills
PO5	Competently evaluate both traditional and newer food processing practices in relation to research-based products and draw applicable conclusions, using a scientific and an open mind with the vision of bettering food preservation and processing.	Analytical and Scientific Reasoning
PO6	Proficiently explore the cause-and-effect relationships of lifestyles on health and through a research-based temper and statistical analysis, draw adequate conclusions for applications of research in the food preservation and processing industry and community either as an employee or entrepreneur.	Research related skills
PO7	Successfully work in teams; and cooperate and derive significant and valuable conclusions for consumers of processed food through an interdisciplinary and collaborative efforts in the food preservation industry, community, research and organizational set-ups.	Cooperation /Team work
PO8	Translate research, recent innovations and personal and professional experiences into applications to benefit food processing and packaging industry, community health; and entrepreneurial ventures with self-awareness and	Reflective Thinking

	contemplation.	
PO9	Use technology for food preservation and processing its communication, consumer information, hospital administration, nutrition education as well as be aware of using digitation for entrepreneurial ventures.	Information/digital literacy
PO10	Work independently or in groups, identify appropriate resources for a project and manage a project to its fruitful completion.	Self – Directed Learning
PO11	Be adept with use of national and global multi-cultural aspects of foods and nutrition, thus being able to deliver food products and nutrition and lifestyle strategies for health in harmony with the existing cultural practices of the individual and the community.	Multi-cultural competence
PO12	Practice safe principles of food preservation, processing, and community health in the most sustainable and effective manner, placing consumer, patient, community and fraternity well-being at the centre of all operations and to refrain from unethical behaviour at workplace, the community and research.	Moral and Ethical awareness and reasoning

Branch III: M.Sc. (Home Science – Textile & Fashion Technology)
Semester I and II (As per NEP 2020)
Programme Outcome

After successful completion of the programme, the student will be able to:	
PO1	Demonstrate extensive knowledge of fibers, yarns, fabrics and apparel and apply the principles in technical aspects of textiles and the discipline of fashion.
PO2	Express and reason out ideas, concepts, and scientific knowledge effectively; orally and in writing with the use of appropriate media technology for example, creating thematic presentations, mood-boards, product lines and systematic creative processes and outputs.
PO3	Analyze and evaluate evidences, arguments, claims, and beliefs on the basis of scientific observations; identify logical limitations and draw conclusions from quantitative / qualitative data; evaluate historic textiles and costumes, global fashion trends, innovative design and prototype development.
PO4	Identify and analyses problems by applying core concepts of the discipline to solve problems in real time for inculcating values of sustainability.
PO5	Present and defend original research using the concepts of research methodology and statistics to thrust areas of textile and fashion technology.
PO6	Collaborate effectively with all the stakeholders to create, develop and exchange knowledge for the benefit of the society.
PO7	Apply advanced and specialized skills of the discipline, to creatively and critically evaluate and seek solutions to current issues working on process improvisation, innovative product development and product enhancement.
PO8	Use various CAD CAM technologies, digital platforms and social media effectively to design, produce and present ideas.
PO9	Practice proactive, self-directed learning and act independently in planning and executing projects which involve collaboration with testing laboratories, NGOs, craft centers and with industries.
PO10	Demonstrate an understanding of the Indian Knowledge System pertaining to tradition, culture and heritage and its relation to textiles and costumes, handlooms, handicrafts, artisans and their craftsmanship and foster appreciation through multicultural sensitivity.
PO11	Inculcate awareness and attitudes to make ethical judgments in producing original research through honesty and integrity and to promote ethical behavior in every aspect from design thinking to the ultimate consumption as well as integrating circularity, and encourage originality and uniqueness.
PO12	Develop comprehensive skills of effective communication, business administration and management for understanding group dynamics and team building. This is enabled through active participation, strengthening of relationships, creating synergy in groups and attaining goals in an adaptive environment.
PO13	Develop universal human value system and maintain a holistic learning culture to renew self-motivation, recognize personal interests and improve personal and professional skills in all stages of life.

PURPOSE.

Whereas

a. St. Teresa's college established in the year 1925 at Kochi is historically placed as the first aided college for women in Kerala. It is a minority institution run by the Carmelite Sisters of St. Teresa. Our foundress Mother Teresa of St. Rose of Lima was a visionary who firmly believed that education is the most powerful weapon for empowering women and transforming society and it was with this mission that St. Teresa's College was established in Kochi. As one of the premier institutions in the domain of higher education in India, St. Teresa's College, ranked 37 by NIRF and accredited with A++ by the National Assessment and Accreditation council (NAAC). The college has over the years been inspiring young minds aimed at enhancing their leadership skills and career prospects, incorporating young women from different strata of the society to be effective partakers in the nation building process. At present, the college has 4500 students 220 teaching faculty and 80 non-teaching staff. We have 25 departments, 7 research centers. We offer 66 programmes in arts, science, commerce and management streams. The college address is Ernakulam - Park Avenue Road, 682011, Kerala, India and the college website is www.teresas.ac.in.

b. STC is desirous to associate with CHSC on various areas as discussed in the purview of this MoU, which will be mutually beneficial to both Organizations.

Whereas

- a) The College of Home Science Nirmala Niketan is one of the premier colleges of Home Science in India. It is the only college of Home Science affiliated to the University of Mumbai. The College has most recently been reaccredited with an A+ NAAC grade. The college is a Christian minority institution, managed by the Nirmala Niketan Institute, whose members belong to the congregation of the *Daughters of the Heart of Mary*.

A grant-in-aid institution, the college offers degree programmes in multiple branches of Home Science at the BSc, MSc and PhD levels. For the BSc Home Science degree, the following four branches are offered: Foods, Nutrition and Dietetics (FND); Human Development (HD); Textile and Fashion Technology (TFT); and Community Resource Management (CRM). There are five branches for MSc Home Science degree offered at the college: FND; HD; TFT; and Food Processing and Preservation; and Sports Nutrition. A PhD in Home Science is also offered with specialisations in FND, HD and TFT.

Other than the degree programmes, the college offers a range of vocational one-year Certificate, Diploma, and Advanced Diploma programmes. These are offered in the following areas: Home Science, Fashion Designing, Interior Designing, and Graphic Designing and Visual Communication. A postgraduate one-year Diploma is also offered in Dietetics and Applied Nutrition. Furthermore, there are an array of value-added and add-on courses that the college offers both in-house and other students, including for non-traditional learners.

The college was started in 1955 with the inception of a certificate course in Home Science. The three-year BSc programme in Home Science, affiliated to the University of Mumbai (at the time known as the University of Bombay), was started in 1969 and two of the MSc programmes took wing in 1972 and a third in 1976. The PhD programme was begun in 1998. Two new MSc programmes were added in 2011.

The college is a leading Indian institution empowering youth, especially women, through socially-relevant and career-oriented higher education. At the BSc level the college is only for women, whilst the postgraduate programmes are open to both women and men. The

college serves Christian students in particular, as also other students, irrespective of their religion. (www.nirmalaniketan.com)

b. CHSC is desirous to associate with STC on various areas as discussed in the purview of this MoU, which will be mutually beneficial to both Organizations.

That, relying on the principle of good faith, by virtue of which they will carry out all the possible actions for their due fulfilment, and relying also on their common bonds and concerns, they state the interest in strengthening their relationships through academic cooperation, and for this end they are of one accord in entering this MoU.

NOW THEREFORE THIS MEMORANDUM OF UNDERSTANDING WITNESSES AS FOLLOWS:

1. OBJECTIVE:

The parties agree that the objective of the present MoU is to establish a cooperation program in order to collaborate towards the formation of students, academics and researchers for the promotion and development of their respective areas of interest.

2. METHOD FOR ACHIEVING THE OBJECTIVES:

In order to achieve the aforementioned objectives, both parties, in mutual agreement, shall develop cooperation programs and projects that will specify the commitments each of them is to make for the performance of said programs.

3. AREAS OF CO-OPERATION:

Whereas, STC and CHSC recognize that the academic collaboration would be of mutual benefit and would provide strengths in research and education and their mutual interest in engaging themselves in academic cooperation. As per the purpose of the said agreement, the two parties shall:

i. Academic Exchange:

- To exchange information on academic programmes
- To exchange information on teaching, learning material and other literature relevant

to their academic programmes

- To jointly organize short-term programmes on topics of mutual interest and to invite each other's faculty to participate there in
 - To jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate there in
 - To jointly propose and engage in training programmes sponsored by funding agencies, and to invite each other's faculty to participate therein
- ii. **Research Collaborations:** Faculty / Researchers / Students of **STC** and **CHSC**, can collaborate in future research projects that either involve working cooperatively with partner institutions and / or cover a research topic with an international component. श्री. धन:शाम खेडसकर

College of Home Science Nirmala Niketan, Mumbai, Maharashtra

This Agreement is made on the 21st December 2022 between St Pauls Institute of Communication Education for Women, Mumbai, India represented by its (Principal) Fr (Dr) Flavendran Irudayasamy (here in after referred to as "SPICEFW"), as the first party and College of Home Science Nirmala Niketan represented by its (Principal), Ms. Philomena Sequeira (here in after referred to as "CHSC"), as the second party.

PURPOSE

Whereas

a) St Pauls Institute of Communication Education for Women, where the goal is to provide women students quality media and management education. Located in Bandra (West), Mumbai, St Pauls College as the college is popularly known, is a Christian Minority Institute, managed by a Society registered under the Bombay Public Trust Act, 1950, the members belong to the Society of St Paul. This society is managed by a Governing Body, whose ex-officio President is the Provincial Superior, The Religious Priests of the Society of St Paul and lay staff form the staff of the College.

A self-financed educational institute, the college has been focusing on the holistic development of women students. The state-of-the-art facilities provided on campus complement opportunities provided to students to enhance media and life skills. In our college, we offer students hands-on experience related to media and management studies, where practical applications are combined with interactive theory sessions.

Post 2019, when the B.M.M syllabus/degree was revised by the University of Mumbai and renamed 'BA in Multimedia and Mass Communication' (B.A.M.M.C), a number of elective courses were introduced, for students to choose a course that's best suited for them. Another added benefit of the current B.A.M.M.C course is, it's industry friendly format.

The college was started in 2018 with the Bachelor of Mass Media degree programme for women students only. Thereafter in the year 2021, short-certificate courses were introduced in various specializations such as - Legal Journalism, Sound Engineering, Documentary Film Making, Radio Jockeying, Business English Skills, and, Sound and Film Editing. These short-certificate courses – affiliated to the University of Mumbai – are available to both in-house and external students, including male learners, and are meant to enhance vocational skills. The three-year Bachelor of Management Studies degree programme was added in the Academic Year 2022. Here also, students choose their area of specialization (Finance/ Marketing/Human Resources). In three years (6 Semesters), we aim at not only training women to become excellent managers, executives and entrepreneurs but also developing their overall personality.

The college is a fast-growing Mumbai institution empowering young women - through career-oriented higher education - enhancing their creativity, communication skills and improving their capacity to analyze. At the undergraduate level the college is only for women, whilst the short-certificate courses are open to both women and men. We believe that these courses will help women students adapt to the current trends prevalent in media, management and related businesses. (<https://mum.stpaulscollege.edu.in>)

b. St Pauls Institute of Communication Education for Women is desirous to associate with College of Home Science Nirmala Niketan on various areas as discussed in the Purview of this MoU, which will be mutually beneficial to both organizations.

Whereas

a) The College of Home Science Nirmala Niketan is one of the premier colleges of Home Science in India. It is the only college of Home Science affiliated to the University of Mumbai. The College has most recently been reaccredited with an A+ NAAC grade. The college is a Christian minority institution, managed by the Nirmala Niketan Institute, whose members belong to the congregation of the *Daughters of the Heart of Mary*.

A grant-in-aid institution, the college offers degree programmes in multiple branches of Home Science at the BSc, MSc and PhD levels. For the BSc Home Science degree, the following four branches are offered: Foods, Nutrition and Dietetics (FND); Human Development (HD); Textile and Fashion Technology (TFT); and Community Resource Management (CRM). There are five branches for MSc Home Science degree offered at the college: FND; HD; TFT; and Food Processing and Preservation; and Sports Nutrition. A PhD in Home Science is also offered with specialisations in FND, HD and TFT.

Other than the degree programmes, the college offers a range of vocational one-year Certificate, Diploma, and Advanced Diploma programmes. These are offered in the following areas: Home Science, Fashion Designing, Interior Designing, and Graphic Designing and Visual Communication. A postgraduate one-year Diploma is also offered.

in Dietetics and Applied Nutrition. Furthermore, there are an array of value-added and add-on courses that the college offers both in-house and other students, including for non-traditional learners.

The college was started in 1955 with the inception of a certificate course in Home Science. The three-year BSc programme in Home Science, affiliated to the University of Mumbai (at the time known as the University of Bombay), was started in 1969 and two of the MSc programmes took wing in 1972 and a third in 1976. The PhD programme was begun in 1998. Two new MSc programmes were added in 2011.

The college is a leading Indian institution empowering youth, especially women, through socially-relevant and career-oriented higher education. At the BSc level the college is only for women, whilst the postgraduate programmes are open to both women and men. (www.nirmalaniketan.com)

- l) The host university / Institution is committed to counseling and supporting exchange students through advice on academic and administrative procedures, as well as to foster their integration, inviting and encouraging guest students to become involved in student life.
- m) The institutions shall act as facilitators, but they will have no obligation whatsoever in terms of the actions, behaviors or financial aspects of the students / participants involved in the exchange.
- n) The students / participants shall enjoy the same rights and privileges as regular students / faculty, and shall observe the norms and rules of the Host University / Institution and in the host country. Any violation of the laws of the receiving country and / or the rules of the Host University / Institution by an exchange participant shall be grounds for the immediate termination of the privileges in the context of this Agreement.
- o) The host institution agrees to assist to provide boarding, lodging and necessities and to provide work space, library and laboratory facilities as appropriate.

8. AUTONOMY:

- p) This agreement is a statement of intentions and does not involve, in any instance whatsoever, any financial obligations between the subscribing institutions.

9. TERM:

- q) This MOU shall be effective for a period of five (5) years from the date of execution of this agreement, and shall be automatically renewed thereafter for another five (5) years unless a written notice to terminate or amend this agreement is given to the other party six (6) months in advance.
- r) It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a **forceful suspension** of a collaboration program. Causes for forceful suspension must be explicitly set forth in the action plans.

10. CONFLICT RESOLUTION:

- s) Any dispute resulting from the interpretation or application of this Agreement shall be settled through direct negotiation and **common agreement** by the persons delegated to each end by each university / Institution. Either party may propose to the other a modification of the Agreement at any time in writing.

11. ACTION PLANS:

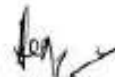

- t) Every work program or specific activity that is agreed upon between both institutions shall be defined through an action plan, which shall be under the responsibility of two individuals, appointed respectively by each university / Institution, and which shall define the following aspects:
- i. Foundations or considerations that warrant the plan for inter-institutional collaboration;
 - ii. Objective of the action plan for inter-institutional collaboration;
 - iii. General conditions of the plan;
 - iv. Academic conditions of the plan;
 - v. Administrative and organizational conditions of the plan;
 - vi. Duration of the protocol;

 - ix. Development of the collaboration project;
 - x. Project and/or program to be carried out;
 - xi. Financial budget;
 - xii. Reference to the subject of medical insurance and information.

12. CONFIDENTIALITY:

- u) Each of the parties accepts and declares that every information from the other party is of a confidential nature, is the exclusive property of the latter and has been or will be disclosed to the former solely with the purpose of enabling the full accomplishment of the present Agreement. For this reason, every piece of information provided by one party to the other before signing this Agreement and/or during its performance must be kept confidential and therefore may not be disclosed to any third parties.

13. AMENDMENTS:

- v) The parties may amend or amplify this Agreement through agreements in writing to that effect. Said amendments or additions will be binding on the signatories as of the date of

their signature. The parties may not assign, in whole or in part, the performance of the present MoU to any third party, except through prior and express authorization in writing by both of them.

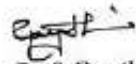

And since both parties are in agreement regarding the content of the present document, and as a token of conformity, we sign it in two counterparts, both of which will be considered originals.

**Agreement between College of Home Science Nirmala Niketan – Department of Foods,
Nutrition and Dietetics – and Veruschka Foundation**

The College of Home Science Nirmala Niketan (Further Referred to as CHSCNN) - Department of Foods, Nutrition and Dietetics (FND) of the is in receipt of an email from Ms. Shahana Tai, Faculty in Charge, Functional Learning, Veruschka Foundation (further referred to as VF) that works with empowering individuals with developmental disabilities to become contributing members of our society through the power of food.

In this regard, the College of Home Science Nirmala Niketan, Department of Foods, Nutrition and Dietetics, is collaborating with the Veruschka Foundation, for the purpose of supporting experiential learning in the area of Foods, Nutrition and Dietetics.

Background:

Veruschka Foundation was started in memory of Veruschka Dias, an affectionate, bubbly individual on the autistic spectrum. A foodie at heart, she was also adept at kitchen chores. VF empowers individuals with developmental disabilities to become contributing members of our society through the power of food. They offer a holistic approach using cookery as a medium to provide sustainable livelihood opportunities for their students and achieve independence at home, start/skill their own entrepreneurial journey or be placed in mainstream employment.

VF is a not-for-profit section 8 company registered under 80G, 12AA and follows the guidelines prescribed by the registrar of companies.

VF would like to collaborate with CHSCNN on the occasion of World Mental Health Day on Monday, the 10th of October, 2022.

The curriculum for all VF's training programmes have components of food groups and nutrition. With a view to give students an experiential learning, VF proposes to have them engage in activities in a food lab of CHSCNN alongside students of CHSCNN.

The benefits of this collaboration:

Benefits for students of VF: An exposure into recipe design, preparation of nourishing recipes as well as their nutritive value.

These and similar recipes could be incorporated into daily life or considered for future entrepreneurial activities.

Benefits for students of CHSCNN:

Purpose of MoU

Recognizing the mutual benefits to be gained through a co-operative programme promoting research and other scholarly collaborations, Jai Hind College (JHC) and College of Home Science Nirmala Niketan (CHSNN) enter into this Memorandum of Understanding (MOU). This MOU will involve and benefit all four departments of the College of Home Science Nirmala Niketan viz: Foods, Nutrition and Dietetics; Human Development; Textile and Fashion Technology; Community Resource Management; & all Departments of Jai Hind College with special focus on Departments of Microbiology, Biotechnology, Botany, Chemistry and Psychology. The activities so conducted could be subject-based or to do with imparting life skills. The charges for the activities so conducted by either of the institutes will be borne by the student/stakeholders of each institution.

This MOU envisages the following objectives:-

- 1) **Strengthening knowledge and other affiliated competencies of the students:** Faculty and alumni stakeholders of both institutions will accomplish this objective through organisation of seminars, workshops, webinars and lectures/lecture series and short-term courses. The courses will be designed in such a way as to provide new perspectives, additional learning of congruent or allied fields to enhance competencies. The courses will have an evaluation model to ensure comprehensive and effective learning. These programmes will provide a participation certificate or a course completion certificate.
- 2) **Collaboration for teaching learning partnerships** to deliver inputs into advanced ideas, content and techniques for students, alumnae and faculty stakeholders, for both institutions based on the expertise available.
- 3) **Infrastructural intersections:** Both institutions will favourably organize the access to use facilities of each other by students and faculty stakeholders at the agreed discounted financial terms and conditions. This could pertain to laboratories, library and resource materials.

- 4) **Research and consultancy intersections:** Faculty of both institutions can be the guide or co-guide for research projects at the undergraduate and /or postgraduate levels; as well as take up project consultancies based on faculty expertise.
- 5) **Focus on creation of interdisciplinary knowledge:** Activities can be organized that are interdisciplinary in nature and promote the culture of holistic and life-oriented learnings and research, with due acknowledgement of concerned teachers and of the two institutions.
- 6) **Focus on innovation, collaboration and entrepreneurships:** Both institutions can either jointly or parallelly collaborate for each Institution's Innovation Cell as well as in promoting the culture of entrepreneurship by organizing programmes, collaborative projects with a potential for being converted to prototypes. Faculty of each institute can also act as mentors for such purpose, with due acknowledgement of concerned teachers and of the two institutions.
- 7) **Student exchange:** The exchange of students for intellectual exploration and broadening of academic and research perspectives can be organized by both the institutions. The number of students and the duration will be selected by mutual agreement between both the institutions. The host institution will evaluate an exchange student's performance in each course or module and award credits to that effect.

Duration and termination of MoU

- 1) This MoU shall become effective from the date it is signed by both parties and shall be valid for period of three years but may be renewed or extended by mutual consent expressed in writing.
- 2) Any changes to the MoU shall be subject to written consent by both the parties.
- 3) This MoU may be terminated by either party at any time provided that the terminating party gives a written notice of its intention at least six months prior to termination.

INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

Opinion

1. We have audited the accompanying financial statements of COLLEGE OF HOME SCIENCE - SENIOR COLLEGE unit of Nirmala Niketan Institute ('the Trust') which comprise the Balance Sheet as at March 31, 2022, the Income and Expenditure Account and Statement of Receipts and Payments for the year then ended, and a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the relevant Act applicable to the Unit in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :
 - i) in the case of the Balance sheet, of the state of affairs of the unit as at 31st March, 2022;
 - ii) in the case of the Income & Expenditure Account of the Surplus of the unit for the year ended on that date and
 - iii) in the case of Statement of Receipts and Payments, of the receipts and payments of the unit for the year ended on that date

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the relevant Act applicable to the Unit and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.
4. We have taken into account the provisions of the relevant Act applicable to the Unit and matters which are required to be included in the audit report under the provisions of the said Act and Rules made thereunder.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibility for the Financial Statements

6. The Trustees of the Trust are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the unit in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the relevant Act applicable to the Unit for safeguarding the assets of the unit and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. The Trustees are also responsible for overseeing the Unit's financial reporting process.

Auditor's Responsibility

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion whether the unit has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

iii Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

iv Evaluate the overall presentation, structure and content of the financial statements, include the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

9. We report that :

- i) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) in our opinion proper books of account as required by law have been kept by the unit so far as appears from our examination of those books;
- iii) the Balance Sheet, the Income and Expenditure account and the Statement of Receipt and Payments dealt with by this Report are in agreement with the books of account of the unit.

Notes on Accounts forming part of the accounts for the year ended 31.03.2022

SCHEDULE 'E'

A. SIGNIFICANT ACCOUNTING POLICIES :

1. Method of Accounting :
Accounts are maintained on cash basis i.e. income and expenditure are recognized and accounted when they are actually received or paid and not when they are earned or incurred.
 2. Fixed Assets :
Fixed Assets are carried at Cost.
 3. Depreciation :
Depreciation on Fixed Assets has been provided on Straight Line Method (S.L.M.) and credited to Depreciation Fund at the following rates :

Library Books	60%
Furniture	10%
Equipment	15%
Computer / Laptop / Printer	40%
Computer Software	40%
 4. Amount representing the depreciation charged on Capital Assets purchased from grants received from UGC and University is transferred from UGC and University grants to Income and Expenditure account.
- B As clarified by the Institute of Chartered Accountants of India, New Delhi, accounting standards do not apply to the trusts as no part of the activity of such entity is commercial, industrial or business in nature. However for better presentation, the Trust has been disclosed significant accounting policies.
- C Previous year figures have been regrouped or reclassified to confirm to current years presentation.

INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

Opinion

1. We have audited the accompanying financial statements of COLLEGE OF HOME SCIENCE - SENIOR COLLEGE unit of Nirmala Niketan Institute ('the Trust') which comprise the Balance Sheet as at March 31, 2023, the Income and Expenditure Account and Statement of Receipts and Payments for the year then ended, and a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the relevant Act applicable to the Unit in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :
 - i) in the case of the Balance sheet, of the state of affairs of the unit as at 31st March, 2023;
 - ii) in the case of the Income & Expenditure Account of the Surplus of the unit for the year ended on that date and
 - iii) in the case of Statement of Receipts and Payments, of the receipts and payments of the unit for the year ended on that date

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the relevant Act applicable to the Unit and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.
4. We have taken into account the provisions of the relevant Act applicable to the Unit and matters which are required to be included in the audit report under the provisions of the said Act and Rules made thereunder.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibility for the Financial Statements

6. The Trustees of the Trust are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the unit in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the relevant Act applicable to the Unit for safeguarding the assets of the unit and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. The Trustees are also responsible for overseeing the Unit's financial reporting process.

Auditor's Responsibility

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion whether the unit has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

iii Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

iv. Evaluate the overall presentation, structure and content of the financial statements, include the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

9. We report that :

- i) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) in our opinion proper books of account as required by law have been kept by the unit so far as appears from our examination of those books;
- iii) the Balance Sheet, the Income and Expenditure account and the Statement of Receipt and Payments dealt with by this Report are in agreement with the books of account of the unit.

INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

Opinion

1. We have audited the accompanying financial statements of COLLEGE OF HOME SCIENCE - SENIOR COLLEGE unit of Nirmala Niketan Institute ('the Trust') which comprise the Balance Sheet as at March 31, 2024, the Income and Expenditure Account and Statement of Receipts and Payments for the year then ended, and a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the relevant Act applicable to the Unit in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :
 - i) in the case of the Balance sheet, of the state of affairs of the unit as at 31st March, 2024;
 - ii) in the case of the Income & Expenditure Account of the Surplus of the unit for the year ended on that date and
 - iii) in the case of Statement of Receipts and Payments, of the receipts and payments of the unit for the year ended on that date

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the relevant Act applicable to the Unit and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.
4. We have taken into account the provisions of the relevant Act applicable to the Unit and matters which are required to be included in the audit report under the provisions of the said Act and Rules made thereunder.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibility for the Financial Statements

6. The Trustees of the Trust are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the unit in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the relevant Act applicable to the Unit for safeguarding the assets of the unit and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. The Trustees are also responsible for overseeing the Unit's financial reporting process.

Auditor's Responsibility

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion whether the unit has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

- iii Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- iv. Evaluate the overall presentation, structure and content of the financial statements, include the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

9. We report that :

- i) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) in our opinion proper books of account as required by law have been kept by the unit so far as appears from our examination of those books;
- iii) the Balance Sheet, the Income and Expenditure account and the Statement of Receipt and Payments dealt with by this Report are in agreement with the books of account of the unit.
