14th Feb 2025

Title: Talk on Career Opportunities in Home Science at Our Lady of Dolours High school,
Marine lines.

Date: 14th Feb 2025

Duration: 8.45 am to 10.10 am

Number of Participants: 56 students

Objective:

- 1) To create awareness among students about Home Science as a flourishing career.
- 2) To share knowledge about Nirmala Niketan college, offering courses in Home Science.
- 3) To generate curiosity and interest towards understanding the subjects offered at Junior and Degree College.
- 4) To address the issue of declining student numbers at Junior and Degree college.
- 5) To resolve the myths, misinformation and misunderstanding about Home Science as a subject.

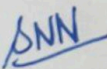

Report: A talk on Career Opportunities in Home Science, was organized for the students of 8th and 9th grade of Our Lady of Dolours School. Our objective was to spread awareness about our esteemed institute and the courses that are offered here.

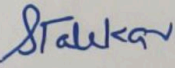

We were overwhelmed to see the response, and interest shown by the young minds to understand the subjects offered at Home Science. The ability to be able to flourish in a career with no maths and physics as a subject in the curriculum, fascinated the students.

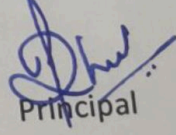

The students got exposure to the various careers that they could pursue in the field of Home Science. The students enthusiastically participated in activities conducted in question and answering session, along with the information provided to them.

Flyers were distributed.

Teacher's attending the event: Miss Sheetal N. Nogueira & Mr. Shankar B. Pandey
