## APPLICATION PROCEDURE

Please note that there are three steps in the admission process:

- 1) Submitting the online **College Application Form** & online payment of fees for application on the OnFees.com portal:
  - a) Complete the Application Form
  - b) Use the “Course Selection” option and select **MSc (Home Science) Textile & Fashion Technology**
  - c) If you are applying for multiple branches, please select each of these branches in the “Course Selection” option.
  - d) Next, go to “Payment Summary”. The application form fee for each branch is Rs. 300 plus a service charge. Please make the payment using one of the following options: Net Banking, UPI, Debit Card, or Credit Card.
  - e) You will now be able to access the Payment History.
  - f) Lastly, please download the form.
- 2) Completing the **University Pre-Enrolment Form** on the **University Portal** (separate pre-enrolment for each branch you have applied for). The University Pre-Enrolment process has not yet been activated by the University of Mumbai. Please keep checking the college website for updates regarding the University Pre-Enrolment process. Once it is activated, please be sure to complete the Pre-Enrolment Form separately for each of the five branches to which you have applied and to download each of these Forms. The University Pre-Enrolment Form is required to be submitted to the college during the final stages of the admission process.
- 3) Uploading the University Pre-Enrolment Form and Payment of Entrance Examination Fees (Rs. 500 plus a service charge) on the **OnFees.com portal** (separate upload and payment for each branch you have applied for) & finally an **Entrance Examination** specific to the Department and the programme to which you are applying.

The Admission will be based on the **qualifying entrance examination** conducted for eligible candidates. The Textile & Fashion Technology entrance examination will cover subject-related content, knowledge of recent developments in the field, sustainability of textiles, and application of knowledge of various end uses.

**Important:** Dear potential applicants, please note that you are eligible to apply for the MSc programme even if your final semester results have not been declared.
